## University Honors College 2005 Scholarship Application

### **PART 2**

For consideration for scholarships in the 2005-2006 academic year, please submit two stapled copies of the following materials by **4:30 PM, Thursday, March 10<sup>th</sup>, 2005** to the Honors College office. A complete packet consists of:

1. A completed application form
2. A resume or curriculum vita
3. An unofficial copy of your WSU transcript
4. A 500-1000 word essay which describes your career goals(s) and how your coursework, extracurricular activities, and life experiences have contributed to attaining this goal

The Honors College has limited scholarship money to distribute. Please note that some scholarships are based on financial need while others are based on merit. In addition, many have specific criteria such as the requirement that the funds be used for study abroad or to pursue a specific major.

Your essay will be weighted heavily in the final determination of scholarship awards. The essay is your opportunity to distinguish yourself from the other applicants for these funds. Your goal is to show the review committee that you are uniquely qualified for the scholarship(s) you are applying for based on your academic record and your activities. Therefore, you should take great care in developing this "snapshot" of yourself.

If you are applying for scholarships based on financial need, please be aware that the Honors College will be working with the Office of Financial Aid to determine eligibility. The information we gather will be based on the FAFSA which you have completed and submitted to that office.

Scholarship descriptions and eligibility information are available at [www.wsu.edu/honors](http://www.wsu.edu/honors).
